OUT OF DISTRICT RESPONSE FEES

In order to be fair to the residents and property owners of the Verde Valley Fire District who have paid property taxes to establish and maintain the Verde Valley Fire District to respond to their emergencies, Verde Valley Fire District will bill for Out-of-District responses according to the following guidelines:

EMS or Special Duty Call Types

Automatic Aid or Mutual Aid Assignments\$0EMS Single Engine Response\$1,500Special Duty Single Engine Response\$1,500Ambulance TransportAZDHS Approved Rates

Fire Call Types

Automatic Aid or Mutual Aid Assignments \$0
Initial Response (per engine, brush truck, water tender, etc.) \$1,500
PLUS: Per hour costs for each responding apparatus; one hour minimum State Land Contract Rates
PLUS: Per hour costs for responding personnel; per individual; one hour minimum
All inclusive hourly rate based on step 6 of the most current wage scale.

Wildfire Response Types

Billed according to State Land Guidelines/Fees State Land Contract Rates Includes personnel and apparatus.

District Residents

There will be no charge for District residents who received services outside of the District boundaries, other than standard charges to their insurance company for ambulance services.

Contracted Services

Calls to a property that is covered by a contract for services with Verde Valley Fire District will be treated the same as calls in the District.

Non-Contracted Out-of-District Residents

Out-of-District residents that are billed for a call to their property may have their bill reduced by 50% if they apply to enter into the District, or enter into a contract for services with the District within 120 days of the call for services.

Other

When a call for service is outside of the District and is in another agency's response area, Staff will work with the other agency to work-out the appropriate billing for the call, if any. All billing decisions will be at the discretion of the Fire Chief.
